### Product information

Guyot-trained Cesanese is grown at up to 1200 ft. asl in clay-based soil and is hand-harvested at full phenolic ripeness. Grapes are crushed and macerated in temperature-controlled stainless steel for up to 7 days. Wine is aged for up to 12 months in stainless steel.

---

### Producer information

You will find Paolo Perinelli's sprawling estate near the town of Anagni as you travel southeast from Rome and into the foothills of the Appenines. Paolo tends the highly-regarded local variety Cesanese d'Affile on a beautiful farm that also produces olives, stone fruit and livestock. His approach, based on rigorous vineyard management using sustainable methods, reveals a great appreciation of varietal character. Casale della Ioria has been recognized by Slow Food as an essential producer in its zone.
