1 L x 12 – DVM5080-13

Producer information

Estate owner Giovanni Busi respects the particulars of Rufina's climate, weather and soils. As distinguished from the better-known Classico zone, he is sure that the Rufina terroir produces singular Sangiovese. He should know. His family has owned the property for centuries. A warm, dry climate moderated by cooling breezes coupled with well-drained clay and limestone marl produce ideal conditions for producing age-worthy sangiovese.
