## Travignoli, Chianti Rufina Riserva (1999)

---

Producer	Travignoli
Vendor	Domenico Valentino
Supplier/Importer	Domenico Valentino
Category	Wine - Still - Red
Grape variety	Sangiovese
Region	Tuscany, Italy
Appellation	Chianti
Feature	Sustainable
Vintage	1999

---

### Sizes

1.5 L x 6 — DVM5085-99

### Product information

Vines are grown in the heart of the Rufina zone at up to 900 feet above sea level. Giovanni Busi vinifies in temperature-controlled stainless steel using a 12-day maceration. The wine is aged for at least nine months in French oak of various size and age, one year in steel and four months in bottle.

---

### Producer information

Estate owner Giovanni Busi respects the particulars of Rufina's climate, weather and soils. As distinguished from the better-known Classico zone, he is sure that the Rufina terroir produces singular Sangiovese. He should know. His family has owned the property for centuries. A warm, dry climate moderated by cooling breezes coupled with well-drained clay and limestone marl produce ideal conditions for producing age-worthy sangiovese.
