Producer information

Il Tasso is the Badger, the mascot and symbol of Fabio Coser's Ronco dei Tassi. Fabio selected the badger to represent his fledgling winery 25 years ago to remind himself, his family and his customers that before people had touched his land a rich ecosystem existed, balanced and tuned to the rhythms of the natural world. We asked Fabio to bottle two wines that would represent both great value and regional typicity. He suggested Pinot Grigio and Merlot, varieties that have been grown in Friuli for over a century.
