Appellation	Aversa Asprinio
Feature	Sustainable
Vintage	2012
Alcohol by volume	12.0%

Sizes

750 mL × 12 — DVM1084-12

Product information

I Borboni has been a leader in the production of Asprinio di Aversa since the early 1980s. Vite Maritata is made from fruit grown using the Sylvoz training method. Grapes trained this way ripen later in September than they do using the more traditional Alberata system. The resulting berries provide a finer fragrance and richer palate, perfect for this dry, still style of Asprinio. Vinified and aged in stainless steel.

Producer information

The Numeroso family has made wine from asprinio for nearly 100 years. Through booms and busts, as fashions waxed and waned, they remained committed to their local vine. To this day, they preserve the ancient technique of training asprinio up the trunks of Poplar trees. Along the way they continued to explore the diversity and charm of this unique native variety. I Borboni also produces excellent Aglianico from vineyards near Benevento.
