| Appellation | Aversa Asprinio |
| Feature | Sustainable |
| Vintage | NV |
| Alcohol by volume | 11.0% |

Sizes

750 mL × 12 — DVM1082-NV

Product information

I Borboni has been a leader in the production of Asprinio di Aversa since the early 1980s and was one of the first estates to take seriously Asprinio's potential for top-notch sparkling wines. Vines are trained using the local Alberata Aversana, a unique method whereby vines are trained vertically, reaching heights of up to 50 feet and planted using native root stocks. Made using the Charmat method. Their frizzante is slightly off-dry with the residual sugar balanced by mouthwatering acidity and gentle fizz.

Producer information

The Numeroso family has made wine from asprinio for nearly 100 years. Through booms and busts, as fashions waxed and waned, they remained committed to their local vine. To this day, they preserve the ancient technique of training asprinio up the trunks of Poplar trees. Along the way they continued to explore the diversity and charm of this unique native variety. I Borboni also produces excellent Aglianico from vineyards near Benevento.
