### Sizes

750 mL × 12 — DVM9180-10

### Producer information

Located on the outskirts of Dijon, in the northernmost reaches of the Cote de Nuits, this family-owned estate offers exceptional quality and great value. Fixin is an appellation on the rise among those who love Burgundy but shy away from the premium prices that bigger names command. The zone is directly north of, and adjacent to Gevrey-Chambertin.
