Product information

The Bardolino is appellation directly west of the Valpolicella zone on the eastern shore of Lake Garda. Winemaker Claudia Benazzoli says "Our aim is to continue in our grandfather's footsteps but with an eye on the future. True passion for wine and a constant desire for improvement make our company stand out from the rest." The Benazzoli family has been making benchmark Bardolino in the Val d'Adige for over 50 years. Claudia and her sister Giulia took over in 2006.
