

## IL TASSO PINOT GRIGIO

**This delightful Pinot Grigio is produced for us by winemaker Fabio Coser in the heart of the Collio Goriziano, in the municipality of Cormons. The vineyards are at different elevations, interspersed with woods, up to 190 meters of altitude. The wines from this producer combine great power with a remarkable freshness, which makes them rich in a tense and elegant balance.**

**Region: Friuli-Venezia Giulia**

**Grape: Pinot Grigio 100%**

**Type: White, dry, medium body**

**Color: Straw yellow with pink reflections**

**Bouquet: Citrus, green apple, yellow flowers. Very fine and elegant**

**Taste: Full flavor, crisp dry, warm, fruity**

**Pairings: Appetizers, fish, shellfish, chicken, seafood and/or vegetable pastas**

**Serving temperature: 10/12 ° C**

**Il Tasso Pinot Grigio is a unique expression of this grape, showing more richness and elegance than one might expect. An extremely versatile wine, Il Tasso Pinot Grigio can be enjoyed on its own or paired with a wide array of dishes.**

**This white wine has a delicate pink hue due to light filtration of the wine. The winemaker uses a light touch when creating this wine, believing that over processing (especially over-filtration) strips the wine of not only its true color but also of flavor and aroma.**
