## IL TASSO PINOT NERO

**This delightful Pinot Nero is produced for us by winemaker Fabio Coser in the heart of the Collio Goriziano, in the municipality of Cormons. Sourced from neighboring vineyards all at different elevations and interspersed with woods, some up to 190 meters of altitude. The wines from this producer combine great power with a remarkable freshness, which makes them interesting, easy drinking and elegant, all at once.**

**Region: Friuli-Venezia Giulia**

**Grape: Pinot Nero 100%**

**Il Tasso Pinot Nero is a fine expression of this grape, showing more richness and elegance than one might expect. An extremely versatile wine, Il Tasso Pinot Nero can be enjoyed on its own or paired with a wide array of dishes.**

**The name Il Tasso means “The Badger” in Italian - after a local peculiarity, namely the bands of badgers that visit the vineyards without fail at the time of harvest enjoying the sweetest and most succulent grapes.**
